

Remember... 1963-64

"Phlowery Phrases"

The Seniors of this staff have devoted much time and energy to compiling this record of 1963 and 1964 at Midway. They have tried to recount all of those incidents and activities which you may care to recount when you are old and feeble. When you are horrified at the mess the "younger generation" is making of things, perhaps, because of the efforts of this staff, you can sail on these pages to the time of vivid youth and irresponsible independence; you may voyage into the time when the "younger generation" had the power to conquer the universe. We hope that you may REMEMBER.....

John Gibson

Mrs. Roy Hill

BECAUSE she loves Midway High School and is a constructive force in its advancement,

BECAUSE in her everyday life she leads us toward a higher appreciation of beauty, Christian character, and true culture,

AND BECAUSE she is loved by all students,

We the Senior Class lay this 1964 yearbook at the feet of Mrs. Roy C. Hill.

Board of Education

The Board of Education, although it is not seen by the students in everyday school life, is the guiding force by which our school functions. With the welfare of the school and the student body in mind, the Board employs able administrators and staff, and provides an excellent academic and extracurricular program.

The members of this Board are busy men who are vitally interested in all phases of community life and growth. In this picture DR, JOHN BELEW, who teaches Chemistry at Baylor University, is explaining some of our new science equipment to MR. ROBERT WARREN, Sec. of the Board and also Commercial representative for Southwestern Bell Telephone, and to MR, HENRY HYMAN, who is employed by Universal Atlas Cement Co., and to MR, JOHN PIPPIN, owner and developer of the Forrest Estates Addition.

Here we see MR, M. T. RICE, Supt. of Schools, showing a new student plaque to MR. OTIS WALTER, self-employed farmer, MR. WAYNE McKETHAN, President of the Board and also Pres. of the Midway Water Works, and to MR. CHARLES MADDUX, self-employed farmer and dairyman.

MIDWAY P. T. A. OFFICERS:

Seated, Mrs. C. Maddux, 2nd Vice-Pres.; Mrs. H. E. Cordero, Parliamentarian; Mrs. W. Tynes, President; Mrs. R. E. Martin, Treas.; standing, Mrs. Wayne McKethan, C. Sec.; Mrs. John Belew, 1st Vice; Mrs. W. L. Engle, Rec. Sec.; Mrs. Milton Watkins, 3rd Vice Pres.

COMMITTEE CHAIRMEN

Left to right, seated, Mrs. A. A. Crownover, Mrs. M. A. Walker, Mrs. John Pippin, Mrs. Gus Harrell, Mrs. B. B. Fulton, Mrs. W. C. Sullivan; standing, Mrs. Leo Fetner, Mrs. Edwin Gaston, Mrs. D. D. Peterson, Mrs. K. B. Shelburne, Mrs. Marshall Mabry, Mrs. D. D. Haught, Mrs. Frank Bullock. Not pictured are Mrs. Ray Graves, Mrs. Johnny Gimble, Mrs. Jarvis Brown, Mrs. E. H. Cornwell, Mrs. O. T. Hayward, Mrs. H. Warren, and M. T. Rice.

The Midway P. T. A. adopted a budget of \$1400.00 for the school year, 1963-64. The money for this budget was made through the dues of 650 members and the one annual project. This years' project was "A Trip to Outer Space," with decorations by each class to play up the theme. A "Miss Universe" pageant by the senior class climaxed the evening. The P. T. A. plans to spend this money on projects around school. In most recent years the P. T. A. funds have been spent to buy new band uniforms, instruments for the band, pictures for the halls and rooms, and landscaping materials for the new high school building, and baskets for the intermediate school gymnasium.

We have in our programs this year been making a survey of the Midway School System, its clubs and organizations.

Life membership awards were presented to the President, Mrs. Warren Tynes and to the school secretary, Mrs. M. T. Rice. Those previously awarded Life Memberships from the Midway P. T. A. are Mr. M. T. Rice, Mr. Paul Ellis, Mrs. H. E. Cordero, Mr. & Mrs. Roy Hill, Mrs. E. H. Cornwell, and Mrs. Clinton McKethan.

It is our desire to further the Objects of the P. T. A. through wisdom, skill and virtue; "Wisdom is knowing what to do; Skill is knowing how to do it, and Virtue is in doing it."

OBJECTS OF THE NATIONAL CONGRESS OF PARENTS AND TEACHERS

To promote the welfare of children and youth in home, school, church and community.

To raise the standards of home life.

To secure adequate laws for the care and protection of children and youth.

To bring into closer relations the home and the school that parents and teachers may cooperate intelligently in the training of the child.

To develop between educators and the general public such united efforts as will secure for every child the highest advantage in physical, mental, social and spiritual education.

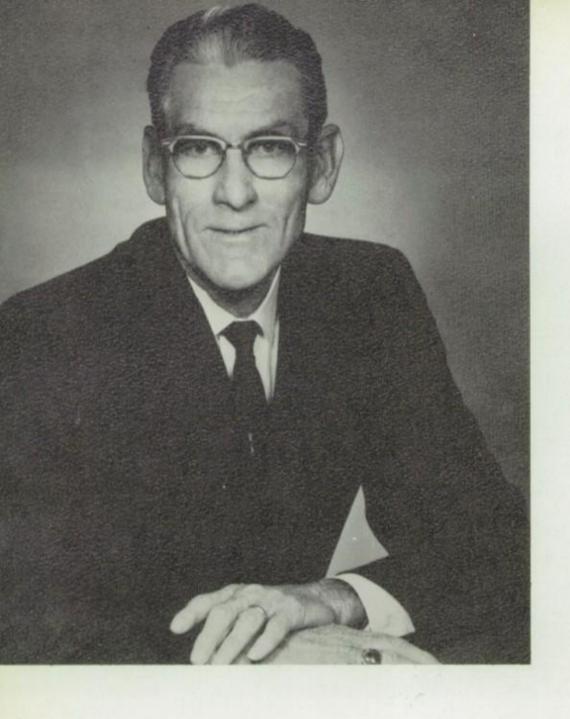

Superintendent of Schools M. T. Rice

I would like to express my sincere thanks to the faculty and the student body for the fine school spirit and the hard work shown throughout the year. It is the spirit and hard work that will cause us to Remember 1963-64 as one of our finest years.

This yearbook represents a lot of hard work on the part of the senior class, and it contains many memories for you. Congratulations are in order for a very fine effort. You have given many hours of work and thought to the planning and building of this book. It has been said that one receives in direct proportion to what one gives, and your education is a grand exception to this maxim. All about us, in this ever-changing world, are impressive examples of people who have achieved far beyond their expectations because they put more than was regularly required of them into their education.

I hope that the students of this school will ever be aware of the many blessings of a democratic community which has a sincere concern for young people and what becomes of them.

M. T. Rice

High School Principal Roy C. Hill

PRINCIPAL'S MESSAGE

To the students of the Midway School:

The purpose of education is not to glorify either the individual or society, nor is it to set one against the other. Education is for both the individual and society. Each individual is responsible to the state and to the society in general. His life will be evaluated in the light of how he benefits both the state and society.

You are a member of one of the Nation's finest laboratories for the preparation of life. This privilege carries with it the responsibility of continuing to promote Midway's high standards. The future rests with you.

To those students who will be leaving Midway after this year, our sincere best wishes for your continued success. To those students who have not yet completed your high school experiences, may we offer a word of encouragement.

Sincerely,

Roy C. Hill

Our Foriegn-Exchange Student

One of the "highlights" of the 1963-64 school year was our association with Christianna von Freeden from Heidenheim, Germany. She very soon became known as "Chris"---a bundle of energy, enthusiasm, and happiness; always eager to participate in every school activity and receptive to every kindness offered to her. To all of her Friends at Midway Chris wishes to say:

I want to thank you, the teachers and the students of Midway High School for all the help you have given me through the past year. For me, it was a wonderful year, one that I will never forget, full of joy and happiness and many new experiences. I never enjoyed going to school so much as I did in Midway. You, the students, should be very, very proud of your school and of your teachers who helped to make Midway High School what it is today.

Lovingly,

Chris

PEOPLE WE HATE

The prof who quizzes the day before and after a holiday.

The teacher who keeps us after the bell has rung.

The unspeakable person who has halitosis.

The one who sets the 10:30 curfew for weekends.

The foolish ingrate who mixes chemicals in the lab and makes those horrible odors.

The prof with the monotone voice.

Coaches who slap us on the back and nearly kill us.

Teachers who make us write sentences like "I will be good."

The guy with the runny nose who sits behind me in math class.

The guy who insists upon telling the plot to the movie.

The person who spends his time griping instead of working.

The student who volunteers answers in class and makes me look dumb.

The band class who drive me crazy by playing so loud.

Teachers who ask for minute details on book review tests.

Girls who use spray that makes their hair feel like glass.

Students who scrape their fingernails across the blackboard.

The girl that has a date every Saturday night --- with my ex-boyfriend.

All Freshmen-----on general principles!

I WONDER

Why everybody sleeps in Civics and American History

Why Mr. Rayborn is STILL single

If anyone will pass Spanish II

What happened to my literature book

Why all the Freshman girls chase Monica

If there will ever be comfortable desks for school rooms.

Where everyone goes after the show---straight home?????

Why there aren't more pictures in history books.

How Harold H. was ever elected Junior High Student Council president --- only the girls voted

When Kleibrink will run into another pole in the cafeteria

Why Thompson is called "Star"

Why the Latin Club was organized only a week before time to take pictures for the annual

Whose going with whom today

Why all the Sophomores huddle together in the mornings----to get their Plane Geometry, maybe??????

Why the thermometer is next to the thermostat

When Mr. Hill will reach his 30th birthday --- Now, that's something to wonder about!!!

Class Will

We, the members of the 1964 Senior class of Midway High School, being of sound mind and memory, and having reached an age where we are soon to pass on to higher realms, do hereby make and declare this to be the last will and testament of our class.

So, here's what we Seniors are giving you Juniors, free to cherish forever or to trade or sell:

Dwight Anderson leaves everything but Linda Russell, who leaves everything but Dwight.

Travis Ballew leaves his throne and all the dirty socks to Kenneth Ables.

Barbara Bennet leaves her interest in studying hard all the time (if she can remember where it is) to Shirley Collins.

Susie Bullock leaves Midway.

Tim Crenshaw leaves his stretched helmet to Rick Ruff, who can wear it snuggly.

Carol Crow leaves her intelligence to Brenda Sullivan, who can now figure out her own horoscope, and let the newspaper alone for Ronnie Smith, who with Bob Smith, leaves the burning speed and ambitious vitality to Buzz McKethan.

Jerry Lou leaves her sister, who will not be left by Scott.

Harold Finney leaves his basketball stardom to Randy Rose.

Barbara Freeman and Lynn Guthrie leave their success secrets to Peggy Phillips and Karen Wilson, who need them like a hole in the head.

Margaret Fulton leaves her brushes and easel to Patty Henson, another kind of artist.

Butch Glass leaves a sense of humor to anyone at Midway brave enough to wear it.

Douglas Hill leaves the Key Club presidency to Martin Jones.

Marilyn Kleibrink leaves as soon as possible.

Mike Kleibrink leaves his mechanical skill to John Blackburn.

Allen Laird leaves his hunting gear to Eagle Eye Wilson.

Gayle Lawerence leaves her quietness to Tommy Jo, also reserved.

Dale Massey leaves her booming voice to Betty Bailey.

Carl McKown leaves his constant vitality to Robert Wills.

Mike Mirick leaves behind an alertness in class--fearsome to behold.

Beverly leaves her smile to all the junior boys.

Cheryl leaves her habit of blushing when the boys look at her to Karen Elder and Sandy Barrett.

Linda Shelburn leaves her gray hair to Dorothy Geer, who also could pass for twenty-one.

Kenneth Stevens and Sammy A. are considering whether to leave or to stay and divide the loot we other Seniors are leaving.

Gary Thompson leaves the trophy cases and was generous enough not to fill them completely. He leaves the gold star on his forehead to Lynn Parnell.

Tommy Walter leaves an example of pious sobriety to Benny N. and Ray.

Hal Warren leaves an unoffensive friendliness to Barbara A., whose is merely more avert.

Janet Weller leaves her wide-eyed anticipation of everything to Laura Frazier.

All the Senior boys leave their bright colored vests to Mr. Brawn, who probably doesn't need them.

Wanda Whitmore leaves her orations to Jo Ann Bennet.

Wayne leaves his slide rule, because it is too big to carry.

Ed Slayton and Mike L. leave the basketball court to Mark Marsh and Jerry Parrish.

Bill Crawford leaves the rubber all over the streets to Bill DeHart.

Margie leaves piano to Claudia H.

Ken Woods leaves his black, star covered dunce cap to Doug Hunter and Meg Skinner.

Thomas Jones leaves his grades and wit to be divided equally among the Juniors, thereby doubling each of theirs.

George Bailey leaves Gary McMillan all the actuaries he can haul.

Chris leaves a bit of Germany with the Key Club.

Sonny Ellis leaves the scientific farming to Ronnie Young.

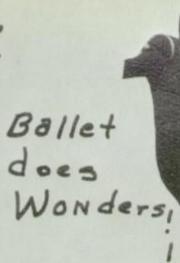

Angie leaves her intrigue with politics to Nancy Hatcher.

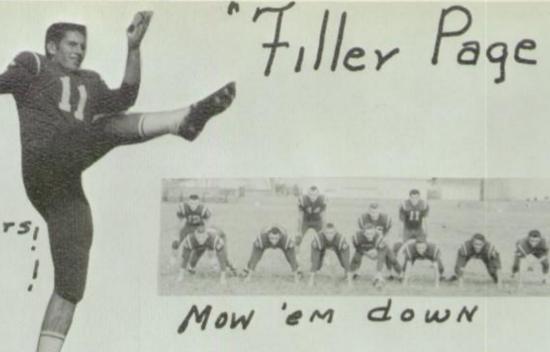

Karen Henderson leaves fleet feet and catching claws to Margaret Walter and Susan Somiers.

And, having written this garbage, John Gibson leaves the country --- to Pat Ewing (couldn't leave him out.)

Please, Coach don't send Me IN!

PRINCIPAL'S MESSAGE

Being principal of the Junior High School is a very challenging experience. Each student, being the individual that he is, has new and varied problems each day that demand a solution. Each student must find his place in the world. I would urge each one to give his very best effort during these years in order to be ready to tackle life's problems and to achieve something good. Your school is your training ground so make the most of it!

Principal's Message:

Both the elementary faculty and I feel that we are enjoying a great privilege in working with the 330 pupils which comprise the first four grades of Midway School. The eagerness to participate and learn which these children possess and the spirit of cooperation demonstrated by their parents and friends help to create an atmosphere of both pleasure and enlightenment.

Farewell

As we pass slowly out of these doors of Midway High School, through which we have seen so many come and go, all too quickly we hear the doors of the years past quietly shutting behind us; and we go forth eagerly to open the doors of the future and whatever it may bring.

For when one door is shut----another opens!

Wait---- Do Not Close This Book!

The 1964 Midway School Yearbook would not have been possible had it not been for the business men and friends who have placed ads herein. Why not meet them and best of all, WHY NOT SHOW THEM OUR APPRECIATION BY PATRONIZING THEM FIRST??????

A smile costs nothing but creates much;
It happens in a flash and the memory sometimes lasts forever;
It cannot be bought, begged, borrowed or stolen.
It is something that is no earthly good to anyone until it is given away.
So, if in your hurry and rush, you meet someone who is too weary to give you a smile, leave one of yours.
For no one needs a smile quite as much as he who has none left to give.
